

Capitol Pickwick Series:

In 1966, Capitol signed a 10-year agreement with Pickwick Records to re-release material from the Capitol archives on the "Pickwick/33" budget label. Many Capitol LPs were reissued – in sliced and diced form – on the Pickwick label from 1966 into the late 1970s, but for contractual reasons the below were specifically labeled "Capitol Pickwick Series" and had standard Capitol labels. The "PC" prefix is mono; "SPC" is stereo (though sometimes rechanneled).
