

# Mushroom Records Discography

Mushroom Records was a Canadian label, founded by brothers Dick and Wink Vogel in Vancouver, BC, in 1974. Mushroom also established a US corporate presence in Los Angeles. It lasted until 1980, barely a year after their A&R head Shelly Siegel died of an aneurism.

Most, if not all, of its artists were Canadian. Its most famous and successful group was Heart, who released two albums, *Dreamboat Annie* and *Magazine*, which were both sold to Capitol Records in the 1980s.
